Welcome to CalAgPermits!

How to submit <u>non-structural</u> Monthly Summary Pesticide Use Reports (MSPUR)

CalAgPermits is used for all pest control operations in California. Therefore, there are many sections that may not pertain to the type of pest control you do. The page below is the first page which you will see after you successfully log in.

Copy and Edit Feature

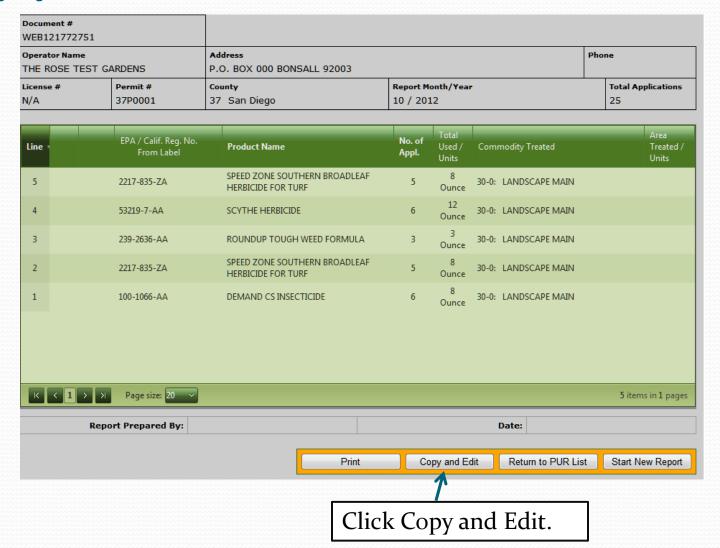

The Copy and Edit feature is a great time saver if you use the same pesticides routinely. The feature copies the pesticides from the selected month; allowing you to only have to edit the date and application information.

Start with the month with the most similar pesticide use. Click View.
